- During open and family swim, children under the age of six (6) must be accompanied into the water by a parent or a supervising adult who is 18 years of age or older. That adult must stay within arm's length of the child. One (1) adult may supervise up to four (4) children.
- During open and family swim, children ages six (6), seven (7), or eight (8) must have a parent or supervising adult who is at least 18 years old in the YMCA building while they are using the YMCA pool.

The slide test consists of a person swimming one length (25 yards) of the pool and treading water for 30 seconds without the use of a floatation device.
