Class Descriptions

CARDIO

Cycling

An instructor-led cycling workout on a specialty designed Trixter stationery bike. This high energy, low impact class will guide you up hills, through trails and racing over a flat road as you control the intensity of the ride!

ZUMBA®//Latin HipHop/Z-Tone

A fusion of Latin and international music themes that create a dynamic, exciting and effective fitness workout. A combination of fast and slow rhythms tone and sculpt the body and burn calories the fun way! **z-Tone incorporates light weights

POUND

Fun, Functional Fitness method that fuses the best strength trainings, Pilates, and cardio moves with drumming. Each technique targets and strengthens the core.

INTERVAL

Ageless Fitness

Multi-level exercise that includes a variety of exercises and equipment. Must bring a sense of humor for fun and laughs.

Interval/Sculpt

Varying cardio levels helps you burn the most calories! This class will burn your weekend calories and give you strong muscles!

Cardio Fusion

This class combines cardio and strength moves that sculpt and tone the entire body. This class incorporates a variety of equipment to provide a workout that is effective and fun!

H.I.I.T. Strong

#####

Boot Camp

#####

MIND/BODY

Yoga

This class is an energetic program that strengthens and connects mind, body and spirit to improve flexibility and strength.

Reach

#####

Strength

Chisel and Sculpt

Exercise designed to focus on both muscles and bones. Classes may include toning, firming and flexibility, performed with or without weights/resistance, for the purpose of improving muscular strength and endurance.

SilverSneakers®

#####

Suspension Training

This form of resistance training is a complete body work out that will tone your body and improve your balance. Suspension training is a small group workout that will use your body for resistance and leave you feeling strong.
