Warsaw, NY 14075

**Dear Friends of the GLOW YMCA,**

**This years Golf Outing has taken on a new sense of urgency and purpose. With the affect of COVID 19 on our communities we know several things will be and are, happening. Kids are home and not able to be engaged and growing like they need to. We also know many families have been financially impacted. This will undoubtedly lead to more request for Financial Aid Scholarships for these families and the kids. The GLOW YMCA Golf Outing is a great way to have fun with friends while knowing your financial investment is going to a great cause and great purpose. We hope you will join us this year for this annual event. Enclosed is the Golf Registration and Business Sponsor Form. It details what golfers get as well as what the business gets.**

**We look forward to seeing you and all the other friends of the GLOW YMCA.**

**Matt Hilton, Wyoming County YMCA Executive & Golf Outing Director**
