FOR STRONG COMMUNITY

Welcome to the Y. We're an inclusive organization of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility.

Letter from the Executive Director,

It's astonishing to see that October is already here and we are fully submersed into the Fall season. Our Before and After School Enrichment (BASE) programs at Albion, Lyndonville, and Medina Elementary Schools are bubbling with students as we fall into the pace of the school year. Some locations are full, while others still have openings. Scholarships are available, so your child(ren) can enjoy the whole school year with us!

With Part II of our Fall programming, we are excited to re-introduce a new character-development strength training program for teenage ladies, GirlSTRONG. This is an opportunity for any young woman to pursue individual strength goals in a supportive community environment. Our new instructor, Nancy Rose, has created relevant curriculum along with a journal for participants to log all that they have learned along the way. Sign up on-line or at the Y, as we kick-off the program in October. In addition, as the weather brings us indoors, we have a wide variety of programs, classes, and Fitness-On-Demand to engage everyone in the community.

I encourage you to take a look at our Fall program offerings and take note of the many opportunities to connect through special events, community gatherings, and regular programming we have to offer within this guide. We look forward to seeing you throughout the upcoming days!

Sincerely,

Greg Reed | Orleans County YMCA Executive Director

YOUTH DEVELOPMENT

We believe the values and skills learned early on are vital building blocks for life. Because of the Y, more young people in neighborhoods around the nation are taking a greater interest in learning and making smarter life choices. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.
